AFTER COMPLETION

What's the next step after your Try Scuba session? Adventure, tropical islands, a rainbow of color beneath the sea. All this and more awaits you in the underwater realm. The Open Water Diver program by Scuba Schools International (SSI) is specifically designed to make you confident, comfortable and safe in the water. Our flexible home-study format makes learning both easy and fun.

Open Water Certification consists of two phases: the class and pool training and then the open water certification in a lake or ocean setting. Once you've complete the open water certification this allows you to dive locally or travel abroad diving various exotic locations.
