## DIVE MASTER RATING

The SSI Dive Master rating allows the diver to assist in the instruction process and lead their fellow divers in underwater adventures. Successful completion of the Dive Master course denotes a high level of achievement and professionalism.

## PREREQUISITES

Before applying to the candidates must:

- Be at least 18 years old.
- Have a current medical exam for diving signed by a physician.
- Have logged a total of at least 60 open water dives totaling 40 hours or more.
- Be certified as a Professional Dive Guide.
- Own a total diving system of professional quality.

## REQUIREMENTS

- Have current certification in CPR, First Aid, AED and oxygen provider.
- Complete the Science of Diving Course and have good working knowledge of the information.

## TRAINING

The Dive Master Training program consists of approximately 12 hours of classroom encompassing diving physics, physiology, decompression theory, aquatic environment, and components of the total diving system and final examination.

## AFTER GRADUATION

After certification, an active Dive Master may:

- Assist in pool training as a certified assistant
- Assist during open water training dives by taking no more than two students at a time on excursion dives.
- Qualify as a Training Specialist for the SSI Ecology Specialty programs
- Teach snorkel diving and issue certification
- Attend an SSI Assistant Instructor course and be certified to teach class and pool, updates, Try Scubas and specialties.

## ACTIVE STATUS

To maintain active status, a Dive Master must be affiliated with an SSI Dealer and have current insurance.

## COSTS

Your fee of **\$285** includes:

- Academic instruction
- SSI registration and documentation
- Digital Science of Diving Course Materials

## SCHEDULE

Orientation is at 6 PM at HPSC beginning on:

- February 8th
- June 6th
- October 10th
