OPEN WATER DIVER

The Open Water Diver rating is the entry point to diving most of the world with 4 certification dives.

ADVANCED OPEN WATER DIVER

The Advanced Open Water Diver program is designed to be a sampler of 5 specialty dives to explore specialty opportunities. Deep and navigation are required in addition to 3 more selections from specialties.

SPECIALTY DIVER

The Specialty Diver rating recognizes divers who complete 2 specialty courses and have logged a minimum of 12 open water dives.

ADVANCED SPECIALTY DIVER

(Not sure what specialties to take? Start with Advanced Open Water Diver!)
The Advanced Specialty Diver program teaches new and beneficial skills while rewarding the diver for achieving a higher level of education and experience. Upon completion of the Advanced Specialty Diver program, the diver will have earned 4 specialties and logged a minimum of 24 open water dives.

MASTER DIVER

The Master Diver rating is one of SSI's most prestigious diver ratings. When you carry this card, you carry the pride and experience that goes with it. A Master Diver must successfully complete 4 specialties and the Diver Stress Rescue course and have logged 50 or more dives.

DIVE MASTER SCIENCE OF DIVING

The SSI Dive Master rating allows the diver to assist in the instruction process and lead their fellow divers in underwater adventures. Gain Instructor level knowledge of diving.

ASSISTANT INSTRUCTOR

The SSI Assistant Instructor rating stands alone as the premier dive leader rating in the industry.

OPEN WATER INSTRUCTOR

The SSI Scuba Instructor course develops you to be among the best dive leaders in the industry. The course not only prepares you to be an active part of the dive industry and a successful educator, but also shapes you into a valuable dive business employee.
