

Wakatobi Resort, Indonesia

September 23* - October 9, 2026

*Beginning date may be slightly adjusted dependent upon length of time in Bali.

Wakatobi Dive Resort is located off the Southeast tip of Sulawesi, Indonesia and offers some of the healthiest coral reefs in the world! Just a few feet from the resort is a spectacular wall bursting with color and life – making the unlimited shore diving both an easy and unforgettable experience. Wakatobi’s walls, sea mounts, and shallow reefs possess a seemingly endless array of hard and soft coral species. Aside from the schools of tropical reef fish, you will see dozens of unusual creatures, such as the pygmy seahorse, hundreds of multi-colored nudibranchs, lion fish, leaf fish and scorpion fish - all common on every dive. At Wakatobi, the breathtaking natural surroundings and service are exceeded only by the diving. When you visit Wakatobi, you come as a guest, but leave as a friend. Come discover the treasure of Wakatobi!
