OPEN WATER DIVER

Adventure, tropical islands, a rainbow of color beneath the sea. All this and more awaits you in the underwater realm. The Open Water Diver program by Scuba Schools International (SSI) is specifically designed to make you confident, comfortable and safe in the water. Our flexible home-study format makes learning both easy and fun.

REQUIREMENTS

To participate in the Open Water Diver course, you must:

- Be at least 10 years old.
- Complete and sign a confidential medical questionnaire. If certain medical conditions exist, you must have a signature from a physician.
- Complete the digital course materials online.
- Complete the section reviews online.
- Complete a waterman-ship evaluation.

COURSE MATERIALS

Your class includes:

- Academic Review & Confined water instruction
- Use of Scuba Equipment (BCD, Reg. Tank, & Weights)

Class does **not** include:

- Digital Course materials
- Open water certification
- Snorkel Equipment (Mask, Snorkel, Fins, Boots & Wetsuit) **(Please ask store staff for current price guide.)**

TRAINING

The Open Water Diver course is a 2-phase process:

1. Complete academic review in the classroom and pool sessions with your SSI instructor. Study academics at home at your convenience. Review the digital materials, and complete the section reviews via the SSI website or app on your smartphone or tablet. **(This needs to be done before 1st night of class.)**
2. Complete open water certification dives. Apply your skills during 4 open water dives to become certified as an Open Water Diver.

AFTER COMPLETION

After completion of the Open Water Diver academic and pool sessions, you must complete your Open Water Certification dives within 6 months of your last class session. Once certified, your certification lasts a lifetime. Remember, though, to maintain proficiency and always dive within the limits of your comfort and ability.

JR. OPEN WATER DIVER

Divers aged 10 - 14 receive the Jr. Open Water Diver certification. After certification, they may only dive with a certified adult diver, and certain depth restrictions apply. Due to instructor to student ratios set by the training agency, HPS requires that all 10 & 11 yr. old students take private class and pool training.
